## Capturing Moments, Creating Memories

---

Greetings, fellow wanderers of the visual realm! I am Jitu Savlani, a self-proclaimed “Accidental Photographer” whose journey through the lens began with a serendipitous click at the turn of the century in the late 1990s and led to the iconic Miss India pageant, and never stopped. Little did I know that these moments would ignite a passion that would shape my destiny.

---

## A Flashback to the Beginning

---

The stage was set, the lights were dimmed, and my camera lens captured the essence of beauty queens, the charisma of Bollywood’s Big B, the grace of screen icons, and the determination of sportspersons. From award shows to OTT platforms, from glossy magazines to the vast expanse of social media, my lens ventured where stories unfolded, freezing moments in time.

---

## The Journey Unfolds

---

In the span of my career, I've been blessed to collaborate with the luminaries of various industries. My lens has danced with the rhythm of life, capturing the heartbeats of cultures and traditions. Every click is a testament to my unwavering dedication to the art of storytelling through imagery.

## Wanderlust and Shutterbug: A Perfect Blend

---

Beyond the confines of studios and red carpets, my soul finds solace on the open road. An avid traveler and biker, I embarked on adventures that transcended borders and languages. The world became my canvas, and I painted it with the hues of diverse cultures. Thanks to partnerships with Tourism Boards of Switzerland, Austria, Singapore, Hong Kong, Morocco, and Turkey, I combined my love for travel and photography, capturing the essence of places and people.

---

## Join Me on This Journey

---

Here, on my digital abode, I invite you to witness the world as I see it – a tapestry of moments, emotions, and cultures. Let's explore the uncharted territories of human expressions and natural wonders together. Through my lens, I promise to transport you to places unknown, people well known and emotions unspoken.

Welcome to my world, where every frame tells a story, and every click etches a memory. Let the journey begin.

Warm regards,  
Jitu Savlani
